

• **JESUS WEEPS** •

“ See! The tears ... of the baby Jesus ... falling on a wicked and sinful world .”
“ ... Jesus weeps ... ”

Hebrews 5: 7-8 ... Isaiah 53:3 ... Luke 19: 41-44

Jesus wept three times in the Holy Scriptures:
Over the destruction of Jerusalem ... the death of Lazarus ... at Gethsemani.

Christ continues to weep for sinners who:
run after evil and refuse to make peace with God.

The Church teaches: when we hide sin from our eyes:
we fail to see the judgment that is coming.

“When judgment arrives the soul will not rest ... the Lord will scold us”

• **SECULAR HUMANISM** •

It seem it is easier to accept that the Secular Humanistic mores that have become our cultural norms than to speak out against them as wrong.

We are seeing in the media, shocked by the behavior of Media, iconic producers, politicians, celebrities that continue to demonstrate lack of control.

It's just too hard to “shout out” as we witness:

Abortion as remedy for mistakes rather than the destruction of human life.
Uncontrolled sexual urges to be acted upon with impunity and without consequences.
Deceit, lying, and deception ... masquerading as ... fact, truth, or reality.

For many, it is easy to be “flexible” when it comes to faith and “adapt” to what our culture promotes , accepts, and embraces as the “norm”.

Christ looks upon this situation:

Jesus weeps for those who cannot find peace because they will not accept the difficult path.
He weeps, because, in their idyllic folly, they destroy the happiness they seek.
The unrepentant will find worse destruction than Jerusalem did for rejecting the Son of God.

Only the Goodthings to Come
